

ST JOHN FISHER RC PRIMARY SCHOOL

HISTORY

As historians, we will study the following topic:

Battle of Britain - World War II

Explore a range of sources to discover:

Which countries were involved and why it happened;

What the Blitz was;

How people prepared for the war e.g. rationing and evacuation.

MATHS

Place Value

Reading and writing numbers to ten million, comparing and ordering numbers, negative numbers.

Four Operations

Adding, subtracting and multiplying whole numbers

Short and long division, multiples, factors and prime numbers.

Fractions

Simplifying and ordering fractions, adding and subtracting fractions, multiplying and dividing fractions, fractions of amounts.

Geometry: Position and Direction

Describe positions in all four quadrants, translate and reflect shapes.

SCIENCE

As scientists, we will study the following topics:

Animals including humans: The Circulatory System

Plan and conduct pattern-seeking enquiries, using line graphs to present findings.

Light

Conduct fair-tests to explore how light travels and how humans see things.

RELIGIOUS EDUCATION

Topics will include:

Loving, Vocation and Commitment and Expectations

Big Questions linked to these topics:

Do you have to earn love?

What is commitment in life?

Should we have expectations in life?

Hinduism - Karma and Dharma

GEOGRAPHY

As geographers, we will study the following topic:

Geo Skills

Read a variety of maps including Ordnance Survey maps.

Use atlases and data to explore the world's countries and cities.

Understand the effects of key physical and human features on globalisation.

ENGLISH

Talk for Writing

The children will study and analyse a model text before planning and writing their own:

Adventure story with a chasing/hiding plot

Explanation text

Poetry.

Grammar

Conjunctions, adverbials, similes, relative clauses, modal verbs, selecting language for formality, semi-colons.

Spellings

Homophones, prefixes and suffixes for spelling words including those on the Year 3/ 4 and Year 5/ 6 spelling list.

COMPUTING

As digital citizens, we will study the following topics:

Computing systems and networks: Bletchley Park

Learn about code-breaking and password hacking as well as decoding messages.

Online Safety

Learning how to conduct yourself safely online. Discussing how content online can affect our emotions and the consequences it can have.

ART & DESIGN

As artists and designers, we will study the following topics:

Craft and Design: Photography

Create meaningful and powerful photo posters.

Develop a self-portrait from a photograph and translate it into a drawing.

Textiles: Waistcoats

Outline, pin and cut panels using a template.

Sew panels using a running stitch and embellish with decorations.

PE

As active learners, we will study:

Dance and Yoga

Choreograph and evaluate a routine of sequenced moves.

Netball and Football

Practise passing and receiving the ball.

SPANISH

As global learners, we will study the following topics:

Conversational Spanish

Greetings, naming places, describing the weather, asking and answering questions, colours and festivals.

MUSIC

As musicians, we will learn about:

Swing & Syncopation

We will learn about big band instruments, scat singing, the social and historical context (WWII, segregation), protest songs - whilst developing our knowledge of the interrelated dimensions of music.

PSHE & RSE

As active citizens, we will learn about:

Being Me In My World

Understand how our choices impact ourselves and others.

Celebrating Difference

Understand ways in which difference can be a source of conflict or a cause for celebration.
