Life Skills Trip—Yr6

Key Stage 2 Tests—Yr6

This morning Year 1 St Susanna class led us in a their first ever whole school assembly and did a magnificent job in reminding us all about the importance of Mary in this special month of May. The children reminded us of just what a special mother Mary was and how her kind and caring nature should be an inspiration to all of us.

We were also treated to some beautiful singing which helped the whole school to prepare for the crowning of Mary service which will be held later this month.

During this month of may please encourage your child to include our special prayer to Mary, The Hail Mary, in their daily prayers.

We are also offering special prayers at this time for our Y6 children as they start their SATs tests on Monday. We know that they have worked incredibly hard and will seize this opportunity to show off all that they know.

GOOD LUCK YEAR 6—YOU WILL BE FABULOUS.

Enjoy a wonderful weekend.

On Tuesday St Ninian class went on a school trip for DT to Pizza Express in New Malden. During the trip we learnt about pizza, where it originates from and the ingredients used to make a Margarita pizza. We were even told a story about how the Margarita pizza was named after Queen Margarita. Everyone (even the adults on the trip) were each given some dough which we had to knead and roll out to a pizza shape. We then added the toppings including tomato passata, mozzarella cheese, basil and oregano. All of our pizzas were put into the very hot pizza oven to cook and once cooked they were boxed up and we took them back to school.

We could choose to eat our pizzas for lunch or take them home. They were delicious! It was a great trip and we all learnt so much!

On Wednesday Yr2 visited the Tower of London. It was incredible! We travelled there by bus and Tube - we were on the train for 21 stops! While we were at the Tower of London we got to see the beautiful, sparkling crown jewel collection. We watched a film about Queen Elizabeth II's coronation and even got to see the actual crown and robes that she wore at the ceremony - they were spectacular (and very heavy)! We also saw lots of swords, weapons, jewellery and massive, golden serving bowls, jugs and platters that have been used over the centuries. We walked around some of the towers where prisoners were kept, found out about some of the ways they were punished and had fun spotting the ravens flying around outside. Did you know everyday they eat 170g of raw meat and bird biscuits soaked in blood?! We also took part in a fun workshop where we learned all about what happened during the Great Fire of London and how The Tower of London was one of the safest places to be at the time. We even got to see a house which survived the Great Fire! Before we left London, we walked to the place where Samuel Pepys' house once stood and had a look at the church where he and his wife used to worship.

We had a sensational day out in London and we're sure the next Year 2 will love it just as much!! Thank you to all of our helpers who came with us.

Children in Reception classes have enjoyed learning how to ride the Balance Bikes this week

THE GOSPEL IN CHURCH
Sunday 8th May 2022

 Jesus said, "The sheep that belong to me listen to my voice; I know them and they follow me. I give them eternal life; they will never be lost and no one will ever steal them from me. The Father who gave them to me is greater than anyone, and no one can steal from the Father. The Father and I are one."

Adapted from
John 10:27-30 (the 4th Sunday of Easter, Year C)

Everyone can learn more about this Gospel in Church - all are warmly invited.

"Life is a gift from God. The voice of Jesus is unmistakable! He guides us along the path of life." Pope Francis

SJF took part in the Merton Sports Yr3 & Yr4 Tennis competition today.

There was a high level of tennis on display with 18 schools competing and some fantastic rallies. Well done to the children who represented SJF extremely well.

Special mention to Sasha T and Cristina P who won all their games today.
