What a wonderful end to a shorter than usual week in school. Today the SJF school community enjoyed a fantastic day of coronation celebrations in honour of King Charles III.

The day started with a re-enactment of the coronation as part of Yr2 St Ignatius class assembly. The children also performed some beautiful songs with a coronation theme.

At lunchtime our prayers were answered, the rain held off (mostly) and we tucked in to our coronation lunch rounded off by the very generous donations of cakes and treats (thank you parents and carers).

As we begin (another) long weekend but this time with a very special purpose, we pray that King Charles III is blessed, guided and led by the Holy Spirit as he begins his official reign as our new monarch.

God Save the King.

Enjoy the celebrations everyone.

THE GOSPEL IN CHURCH

Sunday 7th May 2023

On the night before he died, Jesus spoke to his friends, the disciples. "Do not let your hearts be troubled," he said. "Trust in God and trust in me. There are many rooms in my Father's house, and I am going now to prepare a place for you. I will come again and take you with me so that where I am, you may be too. You know the way to the place where I am going." Then Thomas, a disciple, said, "Lord, we do not know where you are going: how can we know the way?" Jesus said, "I am the Way, the Truth and the Life. No one can come to the Father except through me. If you know me, you know my Father too. You must believe me when I say that I am in the Father and the Father is in me. I tell you most solemnly, whoever believes in me will perform the same works as I do myself; they will perform even greater works, because I am going to the Father."

You are warmly invited to learn more about the Gospel through your local parish church.

"Put your trust in God, dear young friends! He knows and loves us." *Pope Francis*

On Tuesday Year 5 visited two different Pizza Express restaurants; one in Wimbledon Village and one in New Malden. We learnt how to make our own pizzas using tomato, cheese and pizza dough. We also learnt that olive trees can live for over 6 centuries. We brought our pizza back to school with us and lots of us enjoyed eating them for our lunch.

The were delicious.
