Welcome back to the last half term of the academic year. In recognition that we really yare in the summer term, the weather has responded and temperatures are beginning to rise.

With that in mind, please see reminders about sun safety on page 5 and ensure that your child has the required items to keep safe in the sun.

As you will see from the item below the BIG news of the week was the opening of the SJF Woodland garden. It has been an absolute joy to watch children of all ages explore, play and have the kind of fun that bring smiles from ear-to-ear. This area is a truly wonderful addition to our fantastic schools grounds and we can't wait to watch as the wildlife and it's inhabitants move in and settle into their residence!

This half term is a very busy one and, with that in mind, please see some key reminders on page 4. As always, please be aware that future events (pertinent to specific year groups/pupils may be added) and these will be communicated via our usual email/text channels.

Enjoy the sunshine and a wonderful weekend.

Website Sharing

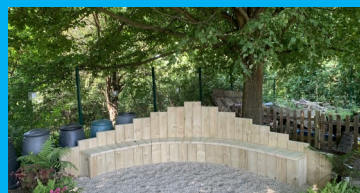

This week we have been delighted to celebrate the opening of our 'Woodland Garden'. We enjoyed an assembly all about how we can explore and enjoy it safely, ensuring we take care of the environment and habitats within it.

A huge **THANK YOU** to all the generous families who volunteered their time to help create such a special place for us all at St John Fisher. It will truly be enjoyed by pupils, parents, staff and governors, for many years to come. Below is a photo of the beautiful 'reflection bench' that has been built for pupils to take time out to pray, reflect or just have some quiet time. Many thanks to the PTFA for their donations in support of the garden development.

Please visit the following webpage on our school website, to find out more about our amazing 'Woodland Garden'.

THANK YOU to all who gave their support and time.

A massive **THANK YOU** to all the kind messages and generous donations for my RideLondon cycle. They helped motivate me during challenges on the day and raised an incredible amount of money for an important charity close to my heart.

Mr Coombes

Yr4 went to Hampton Court Palace on Wednesday. We had so much fun exploring the buildings, admiring the grounds and having a great time in the maze and the magic garden.

In our workshop we learnt about all the jobs there would have been at the palace. Would you want to be a **Gong Scourer** ?!

We were visited by a beautiful butterfly in the nursery on a beautiful sunny afternoon this week!

It reminded us of the tiny baby caterpillars we nurtured during the Spring term when our topic was all about 'Growing'. We are wondering if it was one of our butterflies coming back to see us!

Summer Fair 2023

**Good News
for Families**

1 Enjoy reading this Sunday's Gospel

Jesus said, "I am the living bread which has come down from heaven. Those who eat this bread will live forever. Now the bread which I will give is my flesh, and I will give my flesh for the life of the world. Those who eat the bread which is my flesh have eternal life now, and I will raise them up on the last day. My flesh is true food; my blood is true drink. Those who eat my flesh and drink my blood live in me and I live in them. So my flesh is the bread which comes down from heaven. It is not like the bread which our ancestors once ate in the desert - they died, but those who eat this bread will live forever."

Taken from the Gospel of Sunday 11th June 2023. John 6:51-58 (The Feast of Corpus Christi, Year A)

Which words stood out for you in this Gospel, and why? What does the picture make you think about? Now enjoy exploring this Wednesday's word, which is **NOURISH**.

Well done to our cricket team who represented the school wonderfully at the MSSP cricket competition on Friday. Playing in very

warm weather, the children showed brilliant teamwork and demonstrated excellent batting and bowling skills throughout.

Sun Safety

As the weather continues to get warmer **ALL** pupils must bring a hat and water bottle to school and have sun-screen applied before school.

If you feel that your child will require additional sunscreen during the day they can bring in their own named sunscreen which will remain in their class.

PLEASE NOTE: Staff will not be able to administer the sunscreen or remind children to apply it.
